OrthoCAD iQ™ On Hold Message

MUSIC

Great news! Getting braces just got a lot easier and more comfortable! With the OrthoCAD iQ system, orthodontic patients enjoy reduced time in the office, fewer office visits, and less disruption to their everyday lives. Plus a smile they'll enjoy for a long, long time. Ask if OrthoCAD iQ is right for you or a family member.

MUSIC

How about a smile you'll enjoy showing off...quicker than you ever thought? The OrthoCAD iQ system allows easier and faster placement of the braces on the teeth. And this means a more comfortable patient experience. What's more, iQ gives each individual patient a customized, beautiful smile. Ask if the OrthoCAD iQ system can help you or a family member.

MUSIC

Did you know that our office uses a revolutionary new system called OrthoCAD iQ? OrthoCAD iQ uses advanced computer guidance technology to create ideal smiles for our patients. It minimizes the impact of orthodontics, both in terms of time and comfort. See if you or a family member qualifies for the OrthoCAD iQ system.
